Bereavement Support Group

01803 835384

Bereavement Group

Our group - is for adults who have recently been bereaved, who may benefit from the support of others in a similar situation.

We provide an informal environment and support people to share experiences and help each other

Our meetings -

- meet once a week
- for six weeks
- in groups of a maximum of 6 people
- safe, friendly, welcoming, and confidential.
- facilitated by staff experienced in bereavement support

Accessing the Group

If you are interested in joining one of our groups please contact Dartmouth Caring to discuss

01803 835384

A note on COVID-19
All our groups meet within COVID secure guidelines, which include the following:

- hand sanitising on arrival
- temperature checks on arrival
- room sanitising prior to and after meeting
- participants should not attend if experiencing any symptoms of COVID
- participants to use QR code for track and trace
